Great Big Doughnut

I am a great big doughnut (circle hands over head)

Chocolately and round (extend hands to sides)

Covered with lots of sprinkles (point to self)

The best that can be found. (rub tummy)

I am a great big doughnut (circle hands over head)

Take a bite of me (make biting motions)

Tasty, sweet, delicious, (make chewing motions)

I'm oh, so yummy! (rub tummy)

I WAS a great big doughnut, (circle hands over head)

The very best around, (extend hands to side)

Now there's nothing left of me, (shake head)

Just crumbs on the ground. (sit down)

Sprinkled with powdered sugar on top.
